) Respondent.)

[PROPOSED] ORDER

Upon consideration of the Stipulation of the Parties dated April 26, 2022, attached hereto as Exhibit 1, which states that Amazon does not contest testing and assessments by the CPSC concluding that the three categories of Subject Products identified in the Complaint meet the requirements for a substantial product hazard and these issues need not be litigated, I hereby adopt the following findings of fact and conclusions of law for purposes of this proceeding:

The Subject Product children’s sleepwear garments, sold by third-party sellers and identified by Amazon Standard Identification Number (“ASIN”) in paragraph 21 of the Complaint, meet the requirements for a substantial product hazard under Section 15 (a)(1) of the Consumer Product Safety Act (“CPSA”) (15 U.S.C. § 2064(a)(1));

The Subject Product carbon monoxide (“CO”) detectors, sold by third-party sellers and identified by ASIN in paragraph 30 of the Complaint, meet the requirements for a substantial product hazard under Section 15(a)(2) of the CPSA (15 U.S.C. § 2064(a)(2)); and

The Subject Product hair dryers, sold by third-party sellers and identified by ASIN in paragraph 39 of the Complaint, meet the requirements for a substantial product hazard under Sections 15(a)(2) and (j) of the CPSA (15 U.S.C. §§ 2064(a)(2) and (j)). *See* 16 C.F.R. § 1120.3.

The case shall proceed on the remaining issues.

Dated: _____

Hon. James E. Grimes
Administrative Law Judge
