CPSC Docket No. 21-2

March 30, 2023

Order Following Oral Argument

As I mentioned at Tuesday's oral argument, I would like the parties to submit letters addressing a few issues. Amazon should provide (1) a list of its social media pages, (2) a citation to its recalls webpage, and (3) the dimensions of the product photo accessible through the Amazon's direct notice to customers. Complaint Counsel should provide the citation to authority discussing refund remedies exceeding the purchase price of the refunded product. The letters are due by April 6, 2023.
